Wear a

blankie square

Wear your blankie square throughout Early Childhood Week, and especially on **World Children's Day** (Monday, November 20), to show your support for our littlest citizens.

You can make your own blankie square in two easy steps:

- 1 Cut out a 6 cm x 6 cm (2.5" x 2.5") square from a previously loved children's blanket. 

- 2 Use a safety pin to attach it to your clothing. 

You can also use this opportunity to :

- Encourage other people to make and wear a blankie square of their own
- Get them to post blankie square selfies on social media, using the hashtags
