

## Raise awareness about Early Childhood Week on social media

Go to the [Communication Tools section](#) of our website (under “Social media”) to find and download suggested social media posts and visuals for Early Childhood Week, which highlight:

- The theme for this 8th annual Early Childhood Week
- The seven basic rights that are the focus of this year’s event
- Number of children under five for each region and the province as a whole
- The importance of wearing your blankie square through Early Childhood Week and especially on World Children’s Day

Feel free to make any changes in the sample posts or to write your own. And remember to use our hashtags:
